STAR AMERICA INFRASTRUCTURE PARTNERS WELCOMES GLENN CUMMINS!

New York, December 11, 2017– Star America Infrastructure Partners is pleased to announce the addition of Glenn Cummins to the team in Roslyn, New York. Glenn will be taking on the role of Chief Financial Officer and Chief Compliance Officer. Glenn has been working in the alternatives investment business as a Chief Financial Officer since 1999 when he joined Ivy Asset Management, a hedge funds of funds manager. Glenn served as Ivy’s CFO until 2005 after which he joined Fortress Investment Group as the Chief Financial Officer of its Credit Hedge and Private Equity Fund business. He was in that role through mid-2014.

Prior to joining Star America, Glenn had been doing independent consulting work in the alternatives industry. He started his career at Deloitte (1990-1996) and then worked at JP Morgan (1996-1999) supporting the firm’s Capital Committee prior to entering the alternatives business.

Glenn is a Certified Public Accountant and a Chartered Financial Analyst. He attended Baruch College where he graduated with a BBA in Accounting. Glenn also graduated Columbia Business School with an MBA in Finance. Glenn’s education and experience as a strong strategic and tactical Chief Financial Officer will help ensure that Star’s finance, compliance and operations infrastructure will be well suited to support Star’s fast-growing business.

Christophe Petit, President of Star America Infrastructure Partners stated “We are very excited to have someone of the caliber of Glenn join our team. As Star continues to grow, Glenn will be instrumental in helping achieve our goals”.

About Star America

Star America Infrastructure Partners is an independent U.S. headquartered developer and manager of greenfield infrastructure assets in North America. Star America manages capital from U.S. labor pensions, insurance companies, asset managers, regional construction companies, and high-net-worth individuals, among others. Star America focuses on partnering with states and public agencies to deliver infrastructure projects across the transportation, social, and environmental sectors. Star America’s track record includes long-term concessions, or leases, for public-use infrastructure assets, which are valued at approximately \$5 billion. Star America’s mission is to become the preferred partner of states and public agencies in rebuilding America’s infrastructure.
