### **Star America Hires New Senior Vice President**

#### **Fast Growing Public Private Partnership Investor Strengthens Business Development Team**

**New York, New York-** Star America Infrastructure Partners, LLC (<http://www.starinfrapartners.com>) announced today that Jeffrey Cangemi has joined the firm to further develop their growing portfolio of investments in Public Private Partnership (P3) opportunities. Jeffrey Cangemi comes to Star

America with a wealth of experience within the industry, having worked in senior management positions on development strategy for P3's at Lend Lease North America, Balfour Beatty and Facchina Construction Group over the last fifteen years.

Jeffrey joins as Senior Vice President to continue Star America's recent success at closing and shortlisting on a diverse portfolio of P3 investment opportunities. Jeffrey commented "I am excited to join Star America and look forward to working with the team to grow their project portfolio. I am fortunate to be joining the company at a time where they are shortlisted on five separate P3 procurements."

Christophe Petit, President and Managing Partner said "Jeffrey's wealth of experience and industry knowledge makes him a key addition to the Star America family. We view his appointment as a sign of our commitment to continuing our growth to be a leading equity partner in the pursuit, closing and management of P3's. Our growth in both personnel and portfolio projects over the last 18 months led us to look for an experienced senior executive who shared our collaborative and value added approach. I am confident that Jeffrey will play a key role in developing opportunities and teaming with strong partners to continue to our success."
