PROJECT OVERVIEW

- The Portsmouth Bypass is a greenfield, 16 mile, 4 lane, limited access road through south central Ohio.
- The road is the first P3 Project for the Ohio Department of Transportation.
- The team entered into a 35-year Concession Agreement for the design, construction, financing, operations, and maintenance of the asset with compensation through availability payments.

STAR AMERICA DIFFERENCE

We are collaborative partners able to deliver innovative solutions and improvements on your campus. Star America brings expertise in planning, design, finance, construction, and operations and maintenance of your facility.

FOCUSED ON DELIVERING RESULTS
