PROJECT OVERVIEW

- Project consists of the design, construction, financing, operations, and maintenance of the new 16.2 mile, 21 station light rail system in the suburbs of Washington, DC.
- The new line will provide connections to the Washington Metropolitan Area Transit Authority Metrorail system as well as the MARC commuter lines.
- Financial close reached in June 2016.
- Largest light rail project in the US.

STAR AMERICA DIFFERENCE

We are collaborative partners able to deliver innovative solutions and improvements on your campus. Star America brings expertise in planning, design, finance, construction, and operations and maintenance of your facility.

FOCUSED ON DELIVERING RESULTS
